

# Pipe Maintenance Responsibility

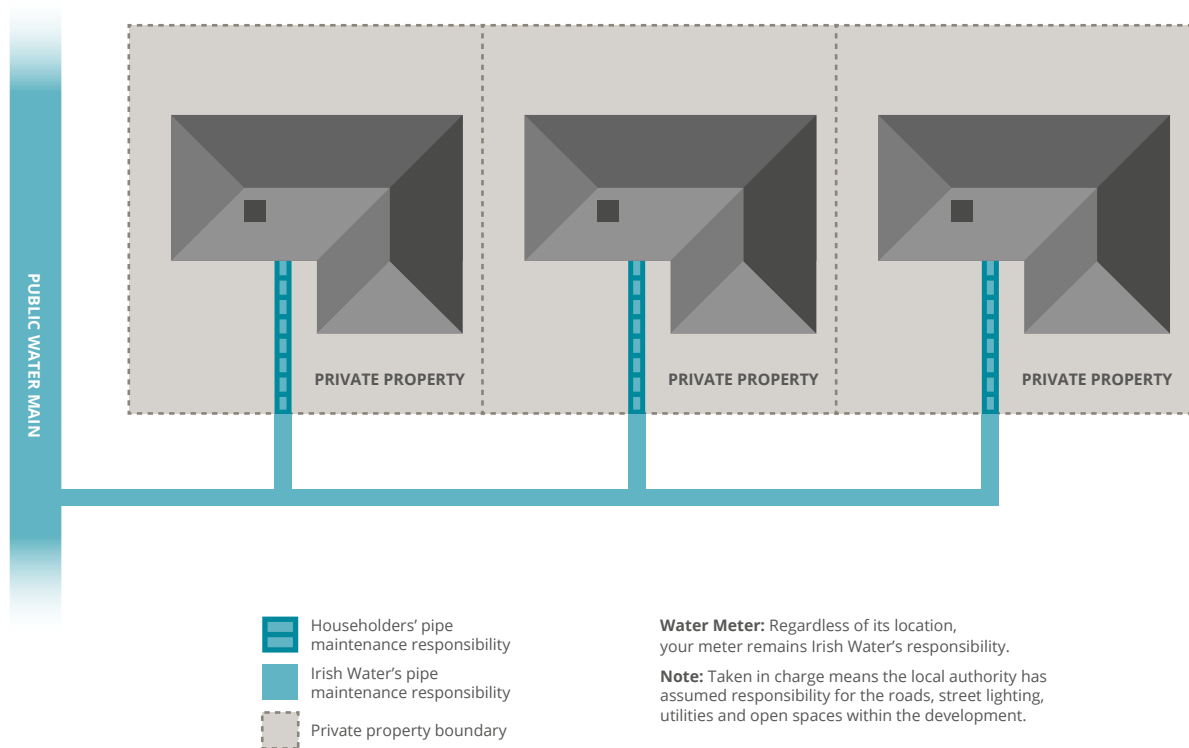

The following graphics outline the current approach by Irish Water in relation to the maintenance of water and wastewater pipes. Each specific pipe (or network of pipes) scenario should be reviewed on an individual basis.

Whilst every effort has been made to ensure the accuracy of the information contained in these graphics, Irish Water, its employees, contractors and/or agents assume no responsibility for and give no guarantees, undertakings or warranties concerning the accuracy, completeness or up to date nature of the information provided in these graphics and does not accept any liability whatsoever arising from any errors or omissions.

Irish water would like to draw the customer's attention to the fact that the publication of these graphics is for illustration purposes only and is subject to review when required. Customers should note that while these graphics reflect the general approach by Irish Water, this approach may change from time to time.

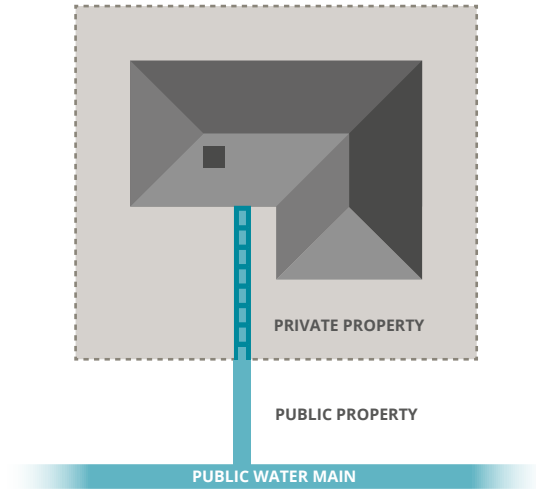

**Customers are advised to contact Irish Water in the first instance to discuss the particular issue/scenario or if there are any queries. Please phone us on Callsave 1850 278 278 or +353 1 707 2828 (24 hours a day, 7 days a week).**

## PRIVATE RESIDENTIAL ESTATE WATER SUPPLY – TAKEN IN CHARGE

These graphics represent the general policy of Irish Water, subject to legal review when required, and as such are for illustration purposes only. The Water Services Act 2007-2017 sets out legal responsibility for such maintenance. Irish Water will engage with customers on a case-by-case basis in circumstances where the ownership of a water connection is unclear.

## SINGLE DETACHED PROPERTY WATER SUPPLY

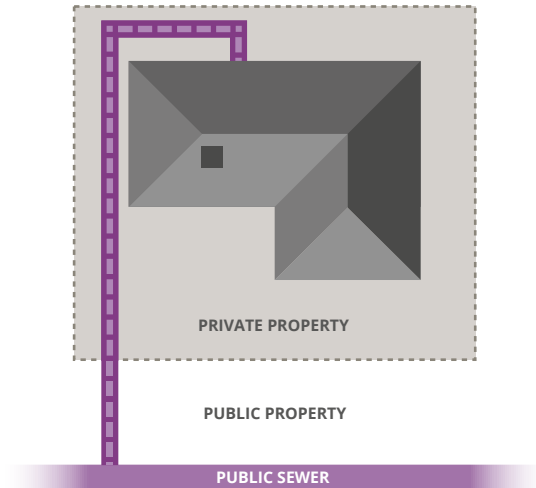

-  Owners' pipe maintenance responsibility
-  Irish Water's pipe maintenance responsibility
-  Private property boundary

**Water Meter**  
Regardless of its location, your meter remains Irish Water's responsibility

These graphics represent the general policy of Irish Water, subject to legal review when required, and as such are for illustration purposes only. The Water Services Act 2007-2017 sets out legal responsibility for such maintenance. Irish Water will engage with customers on a case-by-case basis in circumstances where the ownership of a water connection is unclear.

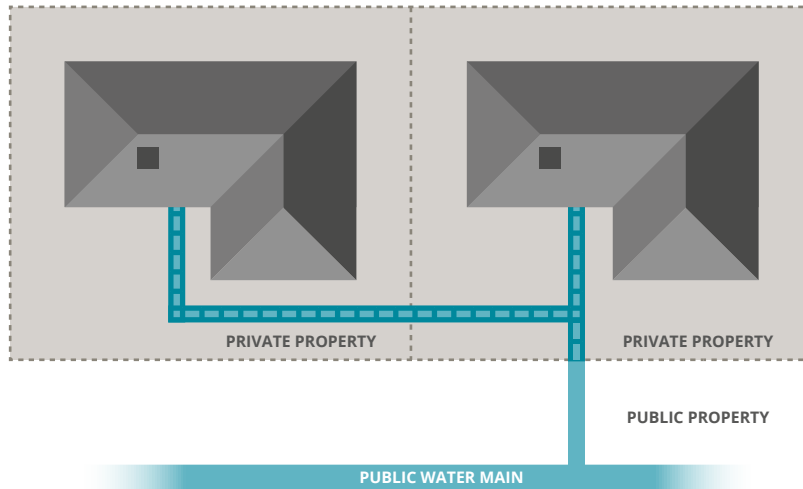

## SINGLE DETACHED PROPERTY WASTEWATER

-  Householder should ensure that only standard domestic waste passes through and that the pipe is kept free of blockages
-  Irish Water will ensure that the Public Sewer is kept free of blockages
-  Private property boundary

These graphics represent the general policy of Irish Water, subject to legal review when required, and as such are for illustration purposes only. The Water Services Act 2007-2017 sets out legal responsibility for such maintenance. Irish Water will engage with customers on a case-by-case basis in circumstances where the ownership of a wastewater connection is unclear.

## DETACHED PROPERTIES SHARED WATER SUPPLY

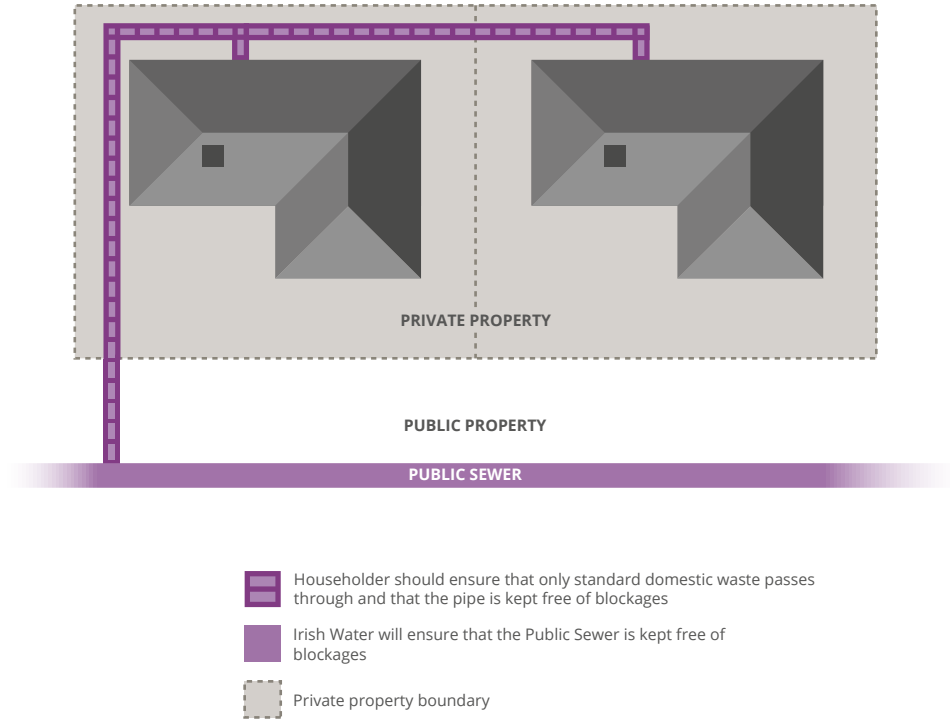

-  Responsibility for pipe maintenance rests with the individual owner or is shared between owners
-  Irish Water's pipe maintenance responsibility
-  Private property boundary

**Water Meter**  
Regardless of its location, your meter remains Irish Water's responsibility

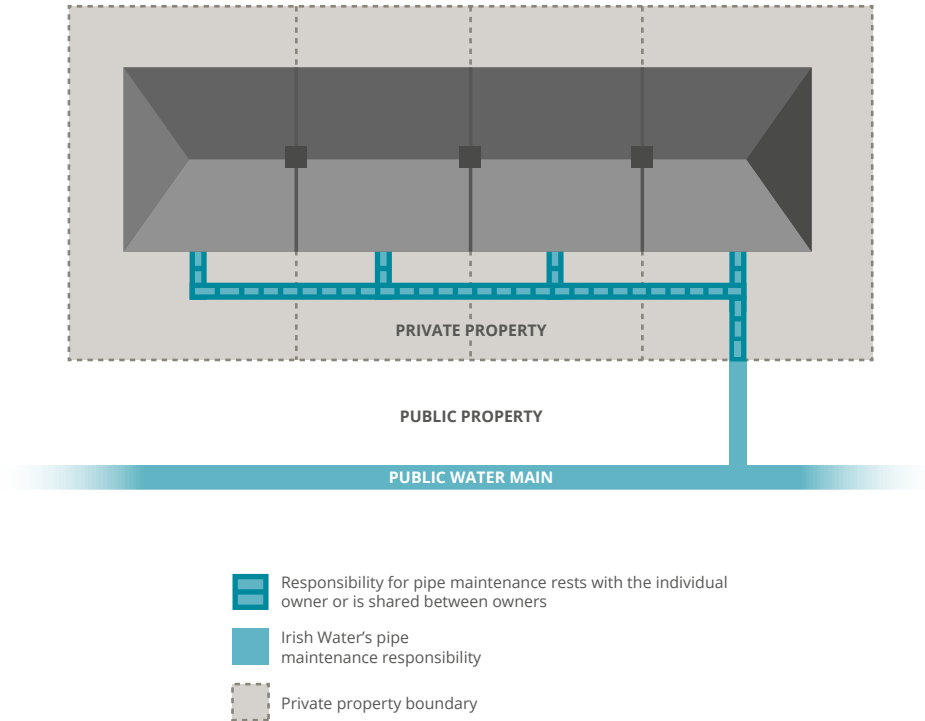

These graphics represent the general policy of Irish Water, subject to legal review when required, and as such are for illustration purposes only. The Water Services Act 2007-2017 sets out legal responsibility for such maintenance. Irish Water will engage with customers on a case-by-case basis in circumstances where the ownership of a water connection is unclear.

## DETACHED PROPERTIES SHARED WASTEWATER

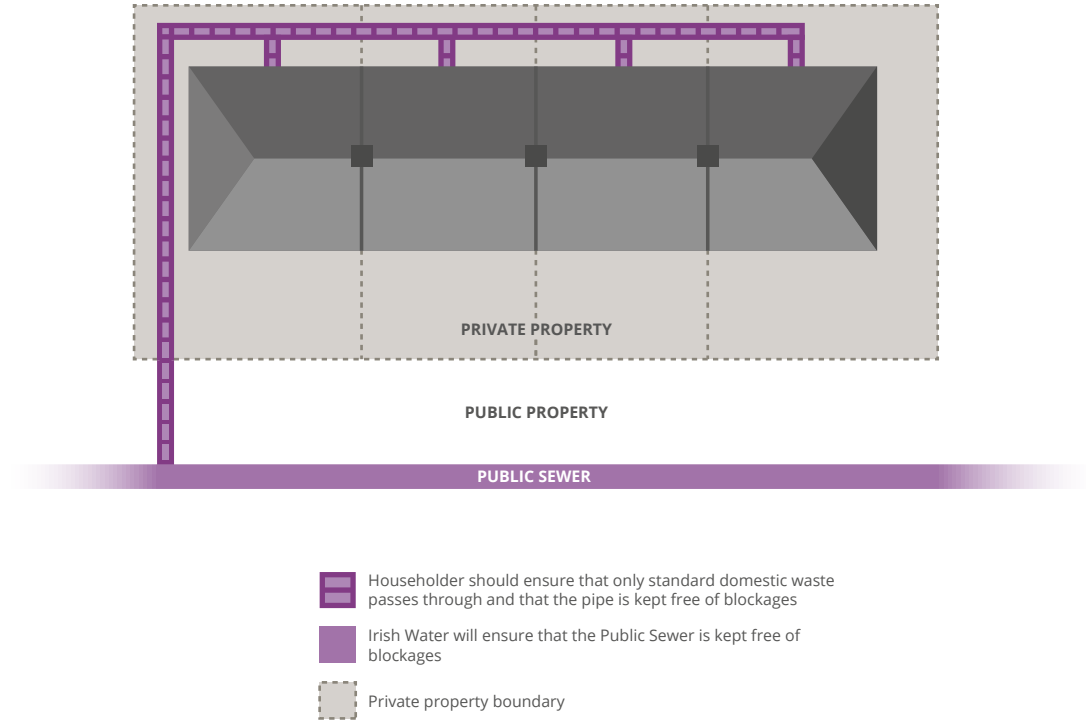

These graphics represent the general policy of Irish Water, subject to legal review when required, and as such are for illustration purposes only. The Water Services Act 2007-2017 sets out legal responsibility for such maintenance.
