

Role: Supply Chain & Procurement Graduate
Location: Dublin or Cork (hybrid working options available)
Duration: 2 years

The Programme

At Uisce Éireann, we have exciting plans for the next five years, including an unprecedented €1.2bn programme of Capital Investment. This is where we need ambitious and talented Supply Chain & Procurement Graduates like you to join our growing organisation and help us as we deliver transformative Water Services to all communities in Ireland. As a participant on this specialist programme, you will have the opportunity to benefit from three rotations that will allow you to build up your expertise as a well-rounded Supply Chain & Procurement Professional and learn from leading industry experts.

- You will be supported by a structured learning and development roadmap through our bespoke Uisce University, including on-going mentoring and on the job learning.
- On successful completion of this 2-year programme, a number of permanent positions will be available within Uisce Éireann.

The Experience

The Supply Chain team in Uisce Éireann manages the end-to-end strategic procurement process through Supply Chain Strategy Management, Supply Chain Tender Delivery, and Supply Chain Value and Performance. As a participant on this programme, you will gain a wide range of industry experience working across the below areas:

Value and Performance

- Support the Tender Demand Plan for Supply Chain team in line with UÉ's requirements.

- Ensure all tenders are managed compliantly in line with the supply chain governance principles at Uisce Éireann
- Work closely with supplier and vendors on contracts and payments
- Build and create spend analytics reports for internal reporting

Supply Chain and Procurement Strategy

- Support the development procurement and contract strategies that align with the needs of UÉ and inform how UÉ procure goods, works and services.
- Research and engage with the market and other organisations so that UÉ procurements are market appropriate, competitive, provide value for money and drive UE's targets on Sustainability.

Tender Delivery

- Support the end-to-end efficient management of all tender competitions through to contract execution in compliance with EU Public Procurement Rules and UÉ internal governance processes.
- Support the effective management and use of UÉ procurement systems.

About You

To apply for our Supply Chain & Procurement Stream, you should be:

- A recent or prospective honours graduate/post-graduate in a relevant discipline
- A natural problem solver with strong attention to detail, who relishes working in diverse teams and has strong communication skills
- In possession of strong IT Skills
- Enthusiastic, curious, and ambitious
- You must be eligible to work in Ireland for the duration of the programme

Apply Now

Apply by sending your CV to careers@water.ie by November 6th, 2023, stating **SUPPLY CHAIN GRAD** in the subject line of your email. Please also answer the following questions in your email:

1. Do you have the legal right to work in Ireland for the period of the programme you are applying for? If you require a visa to work for the duration of the programme, please confirm the type of visa you intend to apply for.
2. Are you interested in any Graduate stream other than the role you have applied for? If so, please advise which other stream(s) you would be interested in.

We look forward to hearing from you!

Committed to providing a diverse and inclusive workplace with a robust strategy and framework to enable this, Uisce Éireann is an equal opportunity employer and we welcome and encourage applications from interested and suitably qualified individuals regardless of gender, age, racial or ethnic origin, member of traveller community, religion or beliefs, sexual orientation, gender identity or disability
