Contact name:

Telephone:

Email:

5 Correspondence Details:

Please indicate whether it is the Principle Point of Contact or Agent who should receive future correspondence in relation to the application: Agent or Principle Point of Contact

Section B Tankered Wastewater Details

6 Please refer to "Guide to completing the application form" on page 6 of this document in relation to the permitted LoW codes under this authorisation.

Please insert tankered wastewater details:

	Wastewater Type 1	Wastewater Type 2
List of Waste (LoW) code		
Origin		
Avg. volume per day (m3)		
Max. volume per day (m3)		
Avg. volume per week (m3)		
Max. volume per week (m3)		
Avg. volume per month (m3)		
Max. volume per month (m3)		
Max. number of discharges per day		
Max. number of discharges per week		
Max. number of discharges per month		

Please copy the page if more LoW codes are required.

7 Indicate the current disposal location(s) (if applicable):

8 Waste Collection Permit Details:

Waste Collection Permit Number:

Valid from: / /

Expires on: / /

Does the Waste Collection Permit cover the transport of above LoW codes?

Yes No

Section E Supporting Documentation

Tick to confirm the following supporting documentation is attached to this form:

- A copy of the Certificate of Incorporation
- Insurance Cover Letter
- Broker/Insurance Company Declaration
- Any other information that might help Uisce Éireann assess this tankered wastewater application

Section F Declaration

Please tick the box to indicate you are satisfied with the use of an electronic signature on any agreement or letter of response in relation to this application.

I/We hereby make this application to Uisce Éireann for a tankered wastewater agreement as detailed on this form.

I/We understand that any alterations made to this application must be declared to Uisce Éireann.

I/We confirm that the proposed tankered wastewater is not hazardous.

The details that I/we have given with this application are accurate.

I/We have enclosed all the necessary supporting documentation.

Signature:

Date:

/ /

Your full name (in BLOCK CAPITALS):

Uisce Éireann will carry out a formal assessment based on the information provided on this form.

Any future tankered wastewater agreement granted by Uisce Éireann will be based on the information that has been provided here.

Please submit the completed form to **tankeredwastewater@water.ie**, or alternatively, post to:

Guide to completing the Tankered Wastewater Agreement - Haulier application form

Section A Application and Applicant Details

- Question 1** Please indicate the purpose of the application.
- Question 2a** Please enter the UÉ Account Number related to your premises.
- Question 2b** Please enter the Application Reference Number sent by email upon completion of the webform.
- Questions 3** This question requires the Applicant or company to identify themselves, their postal address, VAT number if applicable and to provide their contact details.
- Question 4** If the Applicant has employed a consulting engineer or an agent to manage the application on their behalf, the Agent's address and contact details should be recorded here.
- Question 5** Tick whether it is the Principle Point of Contact or the Agent who should receive future correspondence in relation to the application.

Section B Tankered Wastewater Details

- Question 6** Provide the relevant LoW code(s) and expected volumes of wastewater. The LoW code is a six digit code that classifies the waste. For further details on LoW codes please visit www.epa.ie.

List of LoW codes permitted under TWA Haulier's authorisation:

- **20 03 04** - domestic / household septic tank sludge.
- **20 03 04** - commercial septic tank sludge (e.g. hotels, shops, B&B) up to 30m³/day from an individual site. If the expected volume is above 30m³/day from an individual site, the producer of the wastewater is required to apply for the authorisation. Refer to TWA Producer Application Form.
- **20 03 04** – portaloos / portable toilets waste up to 30m³/day from an individual site. If the expected volume is above 30m³/day from an individual site, the producer of the wastewater is required to apply for the authorisation. Refer to TWA Producer Application Form.
- **20 03 04** – wastes arising from sewage cleaning under Uisce Éireann Framework '*Jetting and tank cleaning of Waste Water and Water assets in Uisce Éireann Framework*'.
- **20 03 06** – wastes from sewage cleaning up to 30m³/day from individual site. If the expected volume is above 30m³/day from an individual site (excluding Uisce Éireann sites), the producer of the wastewater is required to apply for the authorisation. Refer to TWA Producer Application Form.
- **20 03 06** – wastes arising from sewage cleaning under Uisce Éireann Framework '*Jetting and tank cleaning of Waste Water and Water assets in Uisce Éireann Framework*'.
- **19 08 05** – sludges from treatment of urban wastewater (other than Uisce Éireann sludges) up to 30m³/day from an individual site. If the expected volume is above 30m³/day from an individual site (excluding Uisce Éireann sites), the producer of the wastewater is required to apply for the authorisation. Refer to TWA Producer Application form. For Uisce Éireann sludges refer to UÉ LoA Application Form.
- **19 08 99** – wastes arising from cleaning of wastewater tanks under Uisce Éireann Framework '*Jetting and tank cleaning of Waste Water and Water assets in Uisce Éireann Framework*'.

- **19 09 02** – sludges from water clarification (other than Uisce Éireann sludges) up to 30m³/day from an individual site. If the expected volume is above 30m³/day from an individual site (excluding Uisce Éireann sites), the producer of the wastewater is required to apply for the authorisation. Refer to TWA Producer Application Form. For Uisce Éireann sludges refer to UÉ Sludge LoA Application Form.
- **19 09 99** – wastes arising from cleaning of water mains and clear water tanks/ reservoirs under Uisce Éireann Framework '*Jetting and tank cleaning of Waste Water and Water assets in Uisce Éireann Framework*'.
- For any other codes not listed above, see TWA Producer or UÉ Sludge LoA Application forms.

Question 7 Provide details of where the wastewater is currently disposed of (if applicable).

Question 8 Provide all relevant details as per your Waste Collection Permit.

Section C Uisce Éireann Wastewater Treatment Plant

Question 9 Please indicate if you have a preferred UÉ wastewater treatment plant and provide the relevant details. If you do not have a preferred UÉ treatment plant, UÉ will propose a suitable plant based on your location and wastewater characteristics. A separate application is required per wastewater treatment plant.

Section D Insurance Requirements

Please ensure the relevant insurance details are attached to this application.

The broker insurance declaration should be on insurance company/brokers letterhead and contain the following text:

To: [Name and address of Employer]

RE: Agreement to Accept Waste Water from {Insert Name} to an Uisce Éireann Wastewater Treatment Facility or Facilities for Treatment and Disposal

Date:

Dear Sirs,

We confirm that we act as Insurance Brokers/Advisors/Company to {INSERT HAULAGE NAME} and that their insurances comply with the Insurance requirements stated in Section D of the Uisce Éireann Tankered Wastewater Application Form.

Yours faithfully

Section E Supporting Documentation

Please provide additional information as listed.

Section F Declaration

Please review the declaration, sign, and return the completed application form to Uisce Éireann by email or by post using the contact details provided in Section F."
