

# Greater Dublin **Drainage Project**

**Environmental Impact Assessment Report**

**Volume 3 Part B  
Appendices**

Appendix Number	Appendix Title
Appendix A6.1	Residential Settlements within the Proposed Project Study Area
Appendix A6.2	Relevant Local Area Plans
Appendix A8.1	Model Development and Calibration
Appendix A9.1	Marine Ecology Reports
Appendix A9.2	Marine Mammal Survey Investigation
Appendix A9.3	Underwater Noise Assessment and Modelling
Appendix A10.1	Estuarine Ornithological Surveys
Appendix A10.2	Vessel Management Plan
Appendix A11.1	Bat Survey and Assessment 2017
Appendix A11.2	Botanical Survey at Portmarnock
Appendix A11.3	Ecological Survey for Smooth Newt
Appendix A12.1	Operational Phase Visual Impact Appraisal at Representative View Points
Appendix A13.1	Scoping Documentation
Appendix A13.2	Traffic Calculations
Appendix A13.3	Construction Programme
Appendix A13.4	Count Data
Appendix A13.5	Junction 9 Outputs
Appendix A13.6	Road Safety Audit
Appendix A14.1	Construction Dust Assessment
Appendix A14.2	Baseline Ambient Air Quality Report 2017
Appendix A14.3	Baseline Ambient Air Quality Report 2016
Appendix A14.4	Estimation of Emission Rates from the Proposed Abbotstown Pumping Station and Wastewater Treatment Plant
Appendix A14.5	Detailed Dispersion Modelling Predictions
Appendix A14.6	Mitigation Measures and Abatement Options
Appendix A15.1	Glossary of Noise Terms
Appendix A15.2	Detailed Baseline Noise Monitoring Report
Appendix A15.3	Connolly Hospital Baseline Vibration Monitoring Results
Appendix A15.4	Assumed Activity for the Proposed Wastewater Treatment Plant Operational Phase
Appendix A16.1	Recorded Archaeological Heritage Sites Within the Receiving Environment
Appendix A16.2	Recorded Shipwrecks Within the Receiving Environment
Appendix A16.3	Stray Archaeological Finds Recorded Within the Receiving Environment
Appendix A16.4	Recorded Built Heritage Sites Within the Receiving Environment
Appendix A16.5	Areas of Archaeological Potential Identified Within the Receiving Environment
Appendix A16.6	Designed Landscapes Located Within the Receiving Environment
Appendix A16.7	Unrecorded Built Heritage Sites Identified Within the Receiving Environment
Appendix A16.8	Townland Boundaries to be Crossed by the Proposed Project
Appendix A16.9	Archaeological Geophysical Surveys Undertaken as Part of the Environmental Impact Assessment
Appendix A16.10	Archaeological Testing Undertaken as Part of the Environmental Impact Assessment
Appendix A16.11	Intertidal Archaeological Survey Undertaken as Part of the Environmental Impact Assessment
Appendix A16.12	Marine Archaeological Geophysical Survey Undertaken as Part of the Environmental Impact Assessment
Appendix A16.13	Marine Archaeological Dive Survey Undertaken as Part of the Environmental Impact Assessment
Appendix A17.1	Flood Risk Assessment Report

Appendix Number	Appendix Title
Appendix A17.2	Groundwater Well Survey Questionnaire Summary
Appendix A17.3	Site Investigation Borehole Locations and Report
Appendix A17.4	Groundwater Quality Analyses Results
Appendix A18.1	Ground Investigation Factual Reports
Appendix A18.2	Ground Investigation Location Drawings
Appendix A19.1	Landowner Impact Assessment Table
